50/50 Fundraising Program

The Southside Catholic Business Professionals (SCBP) and the Inspirational Insights Committee has some exciting news for our Catholic Schools. We are initiating a new method of fundraising for Inspirational Insights. Sponsors and donors to the March 12, 2015 event, will be able to designate 50% of their sponsorship or donation to the Catholic School of their choosing. For example, if ABC Company takes out a 1/4 page, $1000 ad, in the program, half or $500 can be donated to a Catholic School of their choice. Individuals donating $50 or above, may also participate in this program and their name will appear in the program as well. The deadline for program entry is February 12, 2015. If your school is interested in marketing this program, we have support material and information you can pass along. For any additional details, please contact your SCBP Member(s) affiliated with your school.

Thank you and GOD BLESS,

Ben Brown-President
