

MIRACLE ON CAVEN STREET

SCBP VOLUNTEER OPPORTUNITY

Calling all members for a wonderful volunteer opportunity! Let's help build a new home in the "Old Southside" Neighborhood around Sacred Heart Church

**We would like to get volunteers from the SCBP to help on: October 3rd and October 17th
Our time, talent and treasures are needed**

On October 3rd skilled help is needed to repair some of the frame panels that have already been assembled and some window sizes may need modified; a little hammering, sawing and general lifting. A group of 8 would be great. Start time is 8:00 a.m. and should take 3 or 4 hours. Lunch provided.

On October 17th works starts at 8:00 a.m. through late afternoon. Work on this day will be dependent on progress made with the build schedule but help is needed!!

Food and drink also provided.

Help all day or as your schedule permits.

If you can help please contact SCBP members: John Sauter, sauterindy@yahoo.com, Rose Springman, springman0823@hotmail.com, Steve Battiato, steve@indyteledata.com

A volunteer group has been planning this build with The Fuller Center
